

# Loving Jesus more... as an Example

*Grandview Pines Gospel Meeting -#3*

## **“Example”**

- *“One that serves as a pattern to be imitated or not to be imitated” (Merriam-Webster)*
- *In Biblical terms, the Greek word is hupogrammos. It is a contraction meaning – “to write under.” It is a learning tool.*
- *Also, hupodeigma, “a model, proposed for imitation.”*

## **Jesus is our example... of how to suffer - 1 Peter 2:18-25**

## **Jesus is our example... of how to serve - John 13:1-20**

## **Loving Jesus more as our example**

- *When we see the example of Jesus' suffering, it should cause us to love him more for what he was willing to undertake for us.*
- *When we understand the example of Jesus' service, it should cause us to love his willingness to serve each of us and strengthen us to do the same.*
